

Main Performance Parameters of 11KW VSD Permanent magnet inverter screw air compressor

Model		ORS-11-CC-VSD
Motor power	kW	11
Capacity	m ³ /min	1.5
Pressure	bar	8
Cooling mode		Air cooled
Max operating temp.		48°C
Screw air end		Double screw
Compression stage		Single-staged compressor
Oil content		≤3ppm
Lubricant oil volume		18L
Lubricated oil		TOTAL 46#
Drive mode		Direct drive
Starting mode		Frequency conversion start
Dimension mm	L	1080
	W	700
	H	1020
Weight	KG	300
Noise level	dB(A)	68±2
Air outlet diameter		G3/4
Motor protection level		IP23
Motor insulation level		F
Power supply		400V/50HZ/3PH
